

APPLYING FOR REGISTRATION

Applicants for registration must hold a diploma as specified in the Architects Title Act. If you meet the legal requirements you can start the registration process on this page. With this registration wizard we will help you through the application process.

SUBSEQUENT PROCEDURE

After you have completed the registration wizard, you receive a confirmation e-mail. Once the paper version of your request is received at our office, we will send you an invoice for the entrance fee. After receipt of your payment, your application will be considered. Usually the registration procedure takes 3-4 weeks, under the condition that your diploma gives the right to enter directly in the register. To confirm your registration you will receive a certificate of registration and an invoice for the contribution fee.

COST

The entrance fee is set at € 59.00.

The contribution fee is € 55.00 for 2010.

If the registration takes place during the year, the fee is calculated proportionally.
