

RE-REGISTRATION

If you previously have been registered in the architects register and your registration is cancelled on your own request or because Bureau Architectenregister removed your name from the register for non-payment of the contribution, you can apply for re-registration. You don't have to start the registration procedure all over again.

PROCEDURE

You have to fill in the form for re-registration in the register and send it to Bureau Architectenregister. You will then receive an invoice for paying the entrance fee. In case your name has been removed from the register because of not paying the yearly contribution, you will also receive an invoice for the outstanding period that you have been registered until the date your name has been removed from the register. After receipt of your payment you will be registered again.

This procedure takes 2-4 weeks. Once registered, Bureau Architectenregister will send a certificate of registration and an invoice for the contribution fee

COST

The entrance fee is set at € 60,00. The contribution fee is € 55,00 for 2011. If the registration takes place during the year, the fee is calculated proportionally.
