

Dear Sir / Madam,

As previously announced, Bureau Architectenregister has improved its website and the linked services. We invite you to visit www.architectenregister.nl.

Alongside an improved searchable online register, it is now easier to log in and to:

- manage your contact information;
- download certificates of registration in Dutch, English, German or French;
- keep record of your Continuing Professional Development activities and to download an overview of past activities;
- review your payment information and download your past invoice(s).

On www.architectenregister.nl you'll find the 'login' button in the upper right corner of your screen. You can log in with your registration number and password. If you do not remember your password, please choose the option 'I forgot my password' to set up a new one. You will then receive an email with a link to set a new password. If you do not receive that email? Please send an message with your registration number and the email address with which you wish to receive the new password.

For any questions please send an email to info@architectenregister.nl.

Sincerely,
Mirjam del Canho
